

District Advisory Committee (DAC) Notes

February 28, 2019

Review of Group Norms	The DAC reviewed the group norms. No revisions made.
Summary of prior DAC Meeting	Brief presentation on the highlights of the content presented at the last DAC meeting on 1/31/19, including the district mission, an overview of the LCAP, and the 8 guiding principles and cycle.
LCAP Overview	Presentation on the LCAP format, components, goals, actions/services, and metrics to orient participants to the LCAP components. Various data aligned to LCAP goals and metrics was distributed to be used for evaluation of actions/services.
Data Dive: Site Teams Evaluated Actions/Services	Each site team worked on identifying actions/services and data to use to evaluate the action/service based on impact and effort. The teams focused on actions/services for Goal 1 (academics) and Goal 2 (discipline/attendance).
Team Sharing	Teams shared the actions/services they evaluated.
Closing:	Teams were reminded of the upcoming meeting on 3/14/19. At this session, the primary focus will be looking at Single Plans for Student Achievement (SPSA).
