Employees will complete this form at the beginning of this year or upon initial employment.

Please complete the attached election form and return it to our office with your signed contract. If you have any questions, please contact *Lorrie Brooks 527-7200, ext. 112*

You now have the option of receiving 11 or 12 paychecks **deferred pay** – also referred to as summer pay: 11 work months, paid over 12 checks. Employees still have the option of either being paid during the 11 working months or receiving 12 checks.

The payroll system is based on 11 gross payments, (all deductions are taken in the 11 months worked), with the final 12th final payment being a net check. Generally, this would mean there are 12 equal payments. (Note that all deductions, including annuities, savings, etc. will be deducted and paid out over 11 months.) **The option to receive 11 payments is still available.**

Any tax implications could be handled by a change in deductions through the W-4.

All Employees will complete a new Payroll Election Form that will remain in effect for future school years unless a new election form is completed and turned into payroll before June 10th.

Payroll staff can meet with you individually by appointment to review your options and voluntary deductions. If you have any questions, please contact *Lorrie Brooks 527-7200, ext 112.*
